

# JARED LUTZ

JUNIOR WEB DEVELOPER

## PROFILE

I am a recent bootcamp graduate looking for interesting and challenging work. My passion is for front end development, but I am open to exploring any opportunity that allows me to grow. A small, agile team is my goal, although I have worked independently in the past.

## EDUCATION

**Epicodus JS/CSS/React Track**      **March 2018 – August 2018**

- Learned to use Webpack, Angular, HTML, CSS, JQuery, Javascript and React.
- Worked in a pair-programming setting and in group collaborations

## PROFESSIONAL EXPERIENCE

**SGA/GA**      **Oct 2016 – October 2018**

GameStop

- Open/Closed Store, managed up to 2 teammates at a time.
- Provided great customer service, paid close attention to detail organizing products, and helped drive revenue with subscription sales.
- Worked with team members to achieve new goals each week.

**Outbound Picker/Ambassador**      **Feb 2014 – 2016**

Amazon

- Trained and supervised 5 – 10 seasonal employees in Outbound Pick and Safety/Hazards.
- Moved product at a rate of 160 items per hour while controlling for quality.
